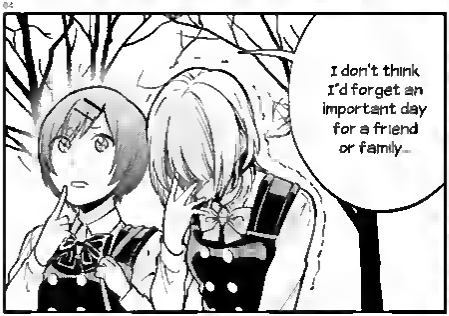
Today is October 14th I'm pretty sure it's an important day, but I can't remember why

Maybe there's a special event at school, today?
No, I don't think so
Hmmm
Damn, it really bugs me.
Erm
Oh, right!

Huh? Actually not.
It's next week.

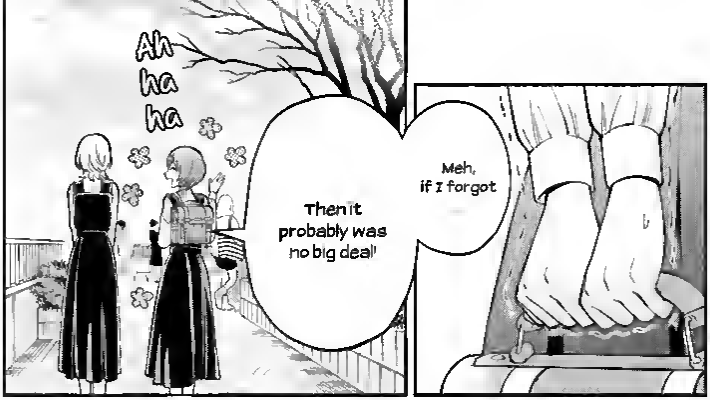
My dentist appointment!
It should be written on my card!!

Very special?
A very special day for you or your loved ones.!
Like I don't know..



I don't think I'd forget an important day for a friend or family...

Oh well, I'll remember sooner or later.
Maybe.
Yeah. But if it bothers you that much...
It might be soooooo important, you know?

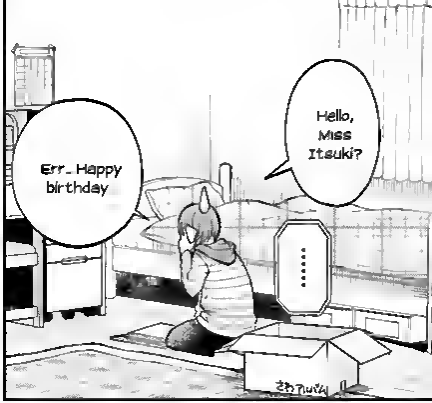


Ah ha ha
Then it probably was no big deal!
Meh, if I forgot

10/14 Itsuki's birthday

It was that of all things?!
Tu lu lu lu
Tu lu lu lu
Tu lu lu lu
Tu lu lu lu
Are you kidding me...

Come on, I'm sorry
Oh good you remembered before midnight
Well then, lack of sleep is bad for the skin, so

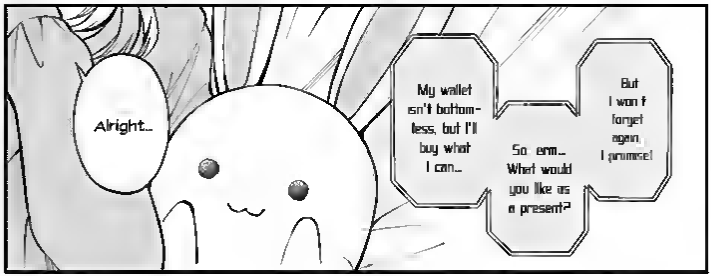


Hello, Miss Itsuki?
Err... Happy birthday
.....

I've had this feeling for a while, but this girl might be a little scary...
Gulp...
Born on December 26th
And I still bought a cake alone every year on December 26th
But I hadn't either...

What can I do about it?
I hadn't seen you in 10 years, you know...
Is that so...

06



Alright...
My wallet isn't bottomless, but I'll buy what I can...
So erm... What would you like as a present?
But I won't forget again, I promise!

Then, wish me a happy birthday with your cutest voice.
The hell is that.

I know I don't look like it..
But to be able to talk to you again..
and celebrate your birthday again
makes me genuinely happy.

Cute..?

...Happy birthday, Itsuki.

Thank you.
